

Dear Prospective Client:

Thank you very much for considering the Val Halla Golf and Recreation Center's Banquet Room for your upcoming party. It will be our pleasure to serve you.

The cost to rent the Banquet Center is just \$500, assuming you use one of our preferred caterers. This fee must be submitted with your rental contract, attached on the last page below, and is non-refundable.

If you would like to have the event catered by someone other than those caterers already approved, or would like to cater the event yourself, there would be an additional charge of \$250, payable the day of the event. Please note that if you decide to cater the event yourself, you would not have access to the Val Halla kitchens, due to insurance regulations. In addition, any caterer that you bring in must provide us with a liability insurance affidavit at least one month prior to the event.

Once your date is secured and you have selected your caterer, we will work with you to ensure you have everything you need for a quality event. For your information, I have attached all of the Val Halla Banquet Center policies, as well as a copy of the rental contract below. Once we receive the signed contract, along with rental payment, we will secure your date and add it to our on-line calendar.

Thank you again and we look forward to serving you!

Sincerely,

Alcoholic beverages may only be served and consumed in specified areas and under no circumstances are patrons allowed to bring their own alcoholic beverages. Clients maintain responsibility for ensuring that these provisions are adhered to, and accept responsibility for ensuring their guests' compliance. A service charge will apply to special orders. Payments made for food and beverages are to be made directly to the service providers.

A cleaning fee may apply when the facility requires more than normal custodial care.

Smoking Restrictions

The Maine Golf House Banquet Facility is a non-smoking facility. Smoking is only allowed in designated areas outside the facility. Any clean-up necessary by facility personnel posed by smokers near and around the facility, will be at the expense of Client.

Eviction

The MSGGA reserves the right to evict from the premises any individual exhibiting inappropriate and/or disruptive behavior, and will call appropriate law enforcement personnel for any individual or individuals not adhering to Maine law concerning alcoholic beverages.
