Orono 6:00-8:00pm

Informational meeting and update of preliminary results from 2009

Location: Council Chambers Orono Town Office (upstairs)

Contact: Dawn.Morgan (Dawn.Morgan@maine.edu)

### Indoor/Outdoor Trainings

#### **Friday, April 9th** (Rod, let me know if you decided to switch days)

5:00pm-7:30pm

##### **Topsham**

Location: Cathance River Education Alliance (CREA) ecology center

Located in the Highland Green Village off the Route 196 Coastal Connector bypass in Topsham.

Once you have entered Highland Green's entrance road, just continue driving straight for 1.5 miles, all the way until the pavement ends at Junco Drive. (Do not turn off the main road; just continue driving straight on the main road). Once you get to the end of the pavement, at Junco Drive, the forest trails begin, and you will see a set of wooden steps leading down to the ecology center path on your left. Parking is available on the side of the road beyond the steps but please don't park on Junco Drive. The ecology center is located a short walk from the main road by going down the steps and turning right – follow the signs. You cannot see the ecology center from the main road.

Contact: Rod Melanson (rmelanson@topshammaine.com)

**Saturday, April 10th**

9:00am - 12:00pm

**Windham**

Location: Windham Town Hall – Conference Room 1
