

# TOWN LANDS AND CONSERVATION COMMISSION

(Commission)

Town of Cumberland

290 Tuttle Road

Cumberland, ME 04021

Date: September 8, 2023

(\* = Chair; + = liaison TC; ++=Code enforcement officer; <sup>(T)</sup> = trails SC; <sup>(F)</sup> = forest SC)

Chris Bolduc; Bill Longley ++; Mark Segrist (abs)+; Tig Filson+

To: Members:

David Cowan  
Denny Gallaudet  
Ellen Hoffman  
John Jensenius vice\*  
Riva Krut  
\*Mike Schwindt  
Joshua Steirman  
George Turner

Pete Wilson  
David Young

<sup>(F)</sup> Melissa Cott  
<sup>(F)</sup> John Leavitt  
<sup>(F)</sup> \*Gordon Lichter  
<sup>(F)</sup> Todd Ontl  
<sup>(F)</sup> Linda Putnam  
<sup>(F)</sup> Sally Stockwell

<sup>(T)</sup> Shaun Breton  
<sup>(T)</sup> Paige Diamant  
<sup>(T)</sup> Stephen Fitzgerald  
<sup>(T)</sup> David Grimm  
<sup>(T)</sup> \*John Jensenius ✓  
<sup>(T)</sup> Walker Newell  
<sup>(T)</sup> Adam Orellana  
<sup>(T)</sup> Brian Stearns  
<sup>(T)</sup> Don Stowell

Sustainability Subcommittee

Sukie Curtis, Jesse Lamarre-Vincent ✓, Denny Gallaudet, Riva Krut, Meddy Smith, Dave Witherill

Invasives Subcommittee:

Ellen Hoffman, John Jensenius, Mike Schwindt

Farmland Subcommittee:

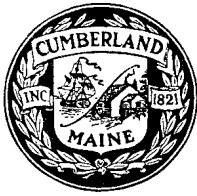

John Jensenius, Mike Schwindt, Bill Shane, Bob Vail, David Young

**Note:** Only members of the Commission and voting members of the subcommittees need attend. "✓" indicates subcommittee member attended Commission meeting.

From: Ellen Hoffman

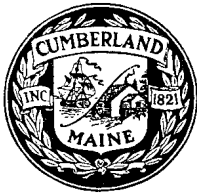

Re: Meeting September 6, 2023

- July minutes were approved as written; no meeting held in August.
- Baily Douglass is no longer a Council liaison.
- Also in attendance was Penny Asherman (CCLT)
- Town Council report (Tig)
  - Twin Brook Management and Invasive Management plans were approved. Positive feedback from Council.
  - Tig mentioned Town Council meeting on RFP for affordable/multi-use housing at Drowne Rd ballfields.
  - Forest Subcommittee will host a walk through Town Forest with Town Council Oct 7. Still needs to be confirmed.
- Bill Report (Bill L)
  - During the months of July and August 2023, Bill's office issued 81 permits for new buildings such as for pools, sheds, decks, houses, condos, barns, additions, renovations, commercial and solar installations.

## TOWN LANDS AND CONSERVATION COMMISSION (Commission)

- Approved projects under construction:
  - Oceanview phase 2- 9/52 permits have been issued
  - Christmas Creek – Vining Way – 19 of 20 are completed
  - Orchard Road – Cortland Court – 8 of 10 building permits issued as of this date
  - Blanchard Oaks – Peaceful Way - 12 of 13 occupied
  - Snowy Owl off Old Gray Road –10 units approved; still blasting
  - The Mark off Route One– 45 units approved; site work blasting complete
  - Ross Estates off Blanchard Road Ext.-3 Units approved; pre-con complete
  - Yarmouth Vet at Heritage Village – pre-con done. Blasting permit issued; work will start soon.
  - White Rock off Skyview Drive – 55 units of senior housing awaiting MSHA
  - Lot split of existing subdivision by amendment at 104 Foreside Road
  - LGC Solar Field as approved in May with conditions; now under construction
- Planning Board meeting scheduled for October 17, 2023 at 7pm: Schedule items to be determined.
- Future Planning Board items:
  - Public Hearing for sketch plan for 72 units (36 will be “affordable”) in Chase Pit at 77 Blackstrap Road with public water from the Portland Water District extended from the West Cumberland Fire Station.
  - Rusty Lantern- Food Mart and new bank at Gray Road
  - Town antenna and carrier cell towers off Range Way and the Gray Rd.
  - The Town Council has voted to seek a “Request for Proposal” at the area of the Little League fields adjacent to the old Drowne Rd School for new housing proposed to be mixed use family and senior housing. If a proposal is submitted, the LCC will need to make a recommendation to the Town Council for use of Town property.
  - Relocation of the Little League fields to a new location such as off Stiles Way or another location. The relocation will also require a LCC recommendation to the Council.
- Heat pump, solar, car charger permits (2022)
  - Heat pumps (homes) issued calendar YTD = 206
  - Solar issued calendar YTD = 055
  - Car chargers issued calendar YTD = 009
- Heat pump, solar, car charger permits (through Aug 31, 2023)
  - Heat pumps (homes) issued calendar YTD = 132
  - Solar issued calendar YTD = 044
  - Car chargers issued calendar YTD = 008

## Commission (Mike)

- Paul is working on writing more invasive grant applications for Town Forest and Rines Forest.
- Finished plans are accessible on Town website.
- FY 2024 budget status – not quite finalized. Mike met with subcommittee chairs. Carryover of \$38,000 from 2023 minus \$2,500 from previous expenses. \$40,000 budget for 2024 so roughly have \$76,000. Some of this money is already accounted for: seed saver (Lawns Gone Wild) meeting, carbon usage survey of businesses, MACC membership dues, shed at orchard, and possible enticements for companies to respond to survey. Mike will let subcommittees know final amount available.
- Annual report has been sent to Town. Mike thanks chairs for contributions.
- Apparel Impact box in Town Hall parking lot. Has gotten a good response from community. Do we need a second box? The box will be moved around back near the dumpsters; easier for snow removal. Riva will submit article to Crier. Mention what is OK and what is not OK to put in – textile recycling.

## TOWN LANDS AND CONSERVATION COMMISSION (Commission)

# ACCEPTABLE ITEMS

All Clothing	All Footwear	All Accessories
• Men's Clothing	• Sneakers	• Hats
• Women's Clothing	• Dress Shoes	• Purses
• Children's Clothing	• Heels	• Bags
• Vintage Clothing	• Flats	• Pocketbooks
• Coats / Jackets	• Sandals	• Backpacks
• Winter Gear	• Flip Flops	• Duffle Bags
• Undergarments	• Boots	• Belts
<b>Sheets   Towels</b>	• Cleats	• Gloves
	• Slippers	• Ties
		• Scarves
		• Bathrobes
		• Jewelry

All items must be dry, contain no odor or mold. Items DO NOT need to be in wearable condition.

- Maine Association of Conservation Commissions (MACC) – October meeting at Brunswick library. Let Mike know if interested in going. Date TBD.
- Mike had asked for feedback last meeting on ways to improve meetings – make them more efficient:
  - One person speaks at a time – too many voices distracting
  - Name plates – everyone agreed this was a good idea. Some members already have from other committees.
  - George suggested we consider pros and cons of policy when we see an issue with a proposal
  - Pete thought votes should be actual votes not just those that dissent
- Town Website (John) – organization is ongoing. Still needs work. Let John know if you see any issues.

## TOWN LANDS AND CONSERVATION COMMISSION (Commission)

- Trails Subcommittee (John) – Rain has left trails not in great shape, although all the hardening that has been done has helped tremendously. Currently inventorying where travels need more gravel or additional walkways.
- Forestry Subcommittee (Gordon):
  - Archive information has been uploaded. Still needs to be checked for completeness. Invasive management plans and grassland management plans have been uploaded.
  - Knights Pond Joint Standing Committee meeting in August did not have approval of the management plan on the agenda. Mike will follow up. Next meeting October 12. Still need final approval of the Forest Management Plan from the town of North Yarmouth.
  - Twin Brook IPCPP (Invasive Plant Control Practice Plan) has been submitted for reimbursement.
  - Town Forest – Paul and Mike met with an individual certified to spray invasive plants. Plan on how/where to continue. Grinding is currently happening in the Town Forest.
  - Paul is creating a centralized priority list of all areas in town that need to be treated. Using iMapInvasives. Strategic plan - site specific.
  - Rines Forest – Jonathan Dawson of CCLT is planning an invasive work day at Rines on September 20 with volunteers from Unum plus a CCLT organized session for October 14.
- Sustainability Subcommittee (Jesse)
  - Grant money available for survey of businesses in Town to understand carbon footprint. Looking for information like number of vehicles, building size. Need an incentive to get business to respond – make it worth their time.
    - Have an intro letter signed by either Chris or Bill
    - Put info in the Crier about survey
    - Concentrate on the larger business
    - Penny suggested making it more personal – personalize emails or go door to door.
- Community Orchard (Jesse)
  - Lawns Gone Wild – seed saving seminar September 9. Grant funding for education.
  - Possible planting of native seeds at the orchard in October.

## TOWN LANDS AND CONSERVATION COMMISSION (Commission)

### ○ Invasives Subcommittee (Mike)

- Live display – bittersweet log at Town Hall. Other invasive plants will be on display to help make recognition easier. Possibly move to library to reach people in both towns.

- We have invasive plans under development for town's forests but not rest of town. Need to respray areas already sprayed. Also need to spray Broad Cove. Use some of budget surplus? Pete questioned if the spraying was dangerous. Dave C suggested we have a webinar with an expert. There was a talk at Beans. Who was the speaker? Need to look at the comprehensive view. Penny mentioned that CCLT has used goats at Stockman Island with good results.

## TOWN LANDS AND CONSERVATION COMMISSION (Commission)

- Should there be an invasive subcommittee?
- Ad hoc group had another work session cutting out invasives at library. Removed a huge bittersweet root. Perhaps have sprayers come to PML and spray area cleaned up so can compare treated and untreated areas.

## TOWN LANDS AND CONSERVATION COMMISSION (Commission)

- Farmland – Town Orchard/Food Independence – no update
- New Business/coming attractions (Mike)
  - Future for composting – no update
  - Tree City designation – no update
  - New Member documentation – no update

Next meeting – October 4 7 PM.
