2011 Holiday Trash Pick-Up Schedule

The trash pick-up schedule for Christmas and New Year holidays will not be affected this year as these holidays fall on Weekends.

The only Holidays that will affect trash pick-up this year are The Fourth of July and Thanksgiving. The schedule changes are as follows:

- July 4, 2011 – Monday – All trash days are moved back by one day for this week; if your regular trash pick-up day is Monday, your new pick-up day is Tuesday. If your regular day was Tuesday, it is now Wednesday. If your regular day was Wednesday, it is now Thursday. And if your regular pick-up day was Thursday for this week, it will be picked up on Friday.
- Thanksgiving Day – Thursday - If your regular pick-up day is Thursday, your new pick-up day for the week is Friday. No other days are affected.

Trash will be picked up on its regularly scheduled day for all other holidays. If you have any questions, please contact the Cumberland Public Works Department at 829-2220.
