

## FIELD OBSERVATION REPORT

Project: Tuttle Road, Main Street, and Blanchard Road  
Downtown Sidewalk Improvements

Client: Town of Cumberland

GP Field Rep: Kassey Northrop (KN)

Weather: Fog, Light Rain

Time onsite: 10:30 AM – 11:00 AM/ 3:45 PM – 4:00 PM

Contractor: Glidden Excavating & Paving, Inc.

Distribution: File; Town of Cumberland

GP Project No: 3656.11

Visit Date: July 10, 2023

Report Date: July 10, 2023

Temp. Range: 62-64 °F

### Work in Progress

- Glidden Excavating & Paving, Inc. has mobilized to Main Street.

### Work Conducted by GP Representative

- Review the sidewalk improvements on Main Street.

### Discussions & Observations

#### **Overall Main Street (07/10/23)**

- Upon arrival in the morning, a crew member was observed operating a saw to cut to prep existing pavement for removal along Main Street (Photos 1 & 2).
  - The driveway aprons at 373 Main Street and 387 Main Street appeared to be protected per plan. No saw cut was observed at the gutter line, only at the joints with the existing sidewalk (Photo 3).
  - Saw cuts are incidental to hot mix asphalt items therefore no linear footage was recorded.
- Crew unloaded and stored equipment on Bea Lane (Photo 4). With the equipment needed for the project on site, and the saw cuts made, it is anticipated that Glidden Excavating & Paving, Inc. will begin excavation tomorrow, July 11<sup>th</sup>.
- The table below reflects the approximate quantities as of the end of the day July 10, 2023:

Item/Description	Units	Today's Quantities (07/10)	Quantities to Date
659.10 – Mobilization	LS	1	1

### People on Site

- 2-3 Person Crew; Glidden Excavating & Paving, Inc.

### Visitors

- None

### Concerns or Questions

- **None at this time.**

### Action Items

- **None at this time.**
