

THE CUMBERLAND HISTORICAL SOCIETY PRESENTS...

10 TREASURES OF THE CUMBERLAND HISTORICAL SOCIETY

We've all heard the little bedtime ditty, "Good night, sleep tight". There is an actual basis for this children's rhyme, and Cumberland Historical Society has the tool that demonstrates it. Carolyn Small will display the artifact, along with nine or so other items from the collections gathered since the beginning in 1939 for the organization. These are some of the items that tell the heart and soul story of the 202 years of Town of Cumberland. Do you know what a niddy niddy is? Join us to find out about these historical mysteries and treasures.
