

§ 250-12.1. Flow chart.

§ 250-17 Review and approval of plan for a major subdivision.

Major subdivision plan submissions shall conform to the standards and requirements contained in Appendices B and D for traditional or clustered subdivision or Appendix E for conservation subdivision of this chapter.

- A. Sketch plan review. (A sketch plan review will not be required if a Conservation Subdivision Preapplication Workshop has already been conducted by the Planning Board.)
