RE: SEWER AMNESTY PROGRAM

Dear Mike:

Thank you for meeting with me to discuss your renovation and recent repairs to your septic system. I believe all parties involved were well intentioned at the time and replacing your septic tank versus connecting to the sewer made financial sense.

I am extending the amnesty program for your home to **June 1, 2013**. After that date, you will be required to pay the full connection permit cost which will may exceed \$4,000 (permit cost only).

Your wastewater system seems to be working well and I hope it continues to function for you into the future. Please let me know if you need any additional information. This letter will be placed in your building file at Town Hall and with our sewer files.

Sincerely,

William R. Shane, P. E.
