

Changes to Park Rules

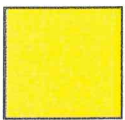

On July 14th, 2014, the Cumberland Town Council updated ordinances regarding **dogs at town parks**. The purpose of this is to make sure that all animals in the Town of Cumberland are kept under the control of their owner at all times.

The following symbols and descriptions outline the ordinance.

Voice Control

When this symbol is up, it means that the dog must be within sight of the owner at all times. The animal returns immediately to and remains by the side of the owner in response to the owner's verbal command. The owner shall have a leash in hand at all times.

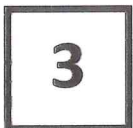

Leash

When this symbol is shown, the dog must be on a leash no longer than 15 feet. This does not include electronic collars or any other device.

No Dogs Allowed

When this symbol is shown, dogs are not permitted on the town property under any circumstance.

3 Dogs per Person

No more than three dogs shall be under the control of one owner at one time while on town property.
