Becoming a firefighter and/or EMS provider is a very rewarding experience that offers you the chance to give back to your community. We provide training, gear and the support needed for success. We are always looking for candidates with a variety of work history, education, training, and skillsets. Life experience is what you bring to the table and we welcome people from a variety of backgrounds. The personal rewards and satisfaction received from what we do is often beyond description. Join as a Junior Firefighter (ages 14-18), as a Call Member or as an EMS/Firefighter Provider Per-Diem.
